GENERAL ORDER.

HORSE GUARDS, May 2, 1825.

HIS Majesty having been graciously pleased to approve the accompanying Regulations for the Sale and Purchase of Commissions of Unattached, Retired Full, and Half Pay Officers, they are now promulgated to the Army; and His Royal Highness The Commander in Chief enjoins the strictest compliance therewith.

By Command of His Royal Highness
The Commander in Chief.

HENRY TORRENS,
Adjutant-General.

*Regulations for the Sale of Retired Full Pay and Half Pay Commissions.**25th April, 1825.*

Half Pay Officers, and those on Retired Full Pay, shall be permitted to dispose of their Commissions as Unattached Half Pay Commissions, in the manner, and upon the terms hereinafter described.

To include the Officers actually serving in the Veteran Battalions, who may be considered as belonging to both Lists, but who cannot now sell; as also General Officers, who may be in the receipt of the Half Pay, only of that Regimental Rank on which they retired.

That the Officers on the Retired Full Pay, and those serving in Veteran Battalions, shall receive the Prices for their Commissions, established by His Majesty's Regulations in 1821.

That the Officers who were *Reduced* to Half Pay, having purchased, or served Twenty Years, and the Officers obliged to retire upon Half Pay, in consequence of Wounds, or Health impaired by Climate, shall also receive the same price for their Commissions.

That Officers having retired to Half-Pay at their own request, not in consequence of Wounds, or Health impaired by Climate, although they should have purchased, shall receive only the old Price, as established by the Regulation in force previous to 1821.

The Officers selling out shall receive the Sum to which they may be respectively entitled under these Regulations, as may be directed by the Commander in Chief.

And in order to avoid the possibility of communication between the Parties, the Purchaser will be directed simply to lodge his Money for his

JULY, 1825.

Promotion to the higher Commission, the Seller being afterwards selected by the Commander in Chief, from the Lists registered in His Royal Highness's Office; nor will any other than an unconditional Resignation, nor any application which adverts to any expected vacancy, be admitted.

The Surplus, if any, will, in all cases, be held at the disposal of the Lords Commissioners of His Majesty's Treasury, for the public use.

The Price paid and received shall, in all cases, be that of the Infantry Commissions, as in the cases of Unattached Commissions, which have been hitherto sold, whether the Individual selling shall be on the Half Pay of Cavalry or Infantry, and the Purchaser shall, in all cases, be placed on the Half Pay of Infantry.

The Individuals disposed to avail themselves of this arrangement, upon the Terms specified, shall make application to the Commander in Chief, through the Military Secretary, when their Claims will be investigated and determined upon, and their Names will be registered accordingly.

The Purchasers will be recommended to His Majesty by the Commander in Chief from the Lists kept in his Office.

The Sales to take place under the following Restrictions:—

No Person to be allowed to sell at either rate who has passed the Age of Sixty Years, or who cannot produce the Certificate of the Army Medical Board; if in a Foreign Colony, the Certificate of a Medical Board; or, if no Board can be assembled, of the Senior Medical Officer: shewing that his Retirement does not result from impaired Constitution, threatening earlier dissolution than a Person of his age may expect in the common course of nature.

No Officer to be allowed to sell, unless he shall have purchased his Commission, or unless he shall have served Twenty Years in the whole, if a Lieutenant-Colonel, Major, or Captain.

Fifteen Years if a Lieutenant.

Twelve Years if an Ensign, of which, at least, one-half on Full Pay, or in the discharge of active professional Duties; except he should have been placed on Half Pay in consequence of Incapacity, from Wounds or Infirmary, not now affecting his general health and constitution.

Those having purchased whose Services do not amount to the above Periods, or who have not been placed upon Half Pay on account of Incapacity produced as above stated, to receive the value only of the Commissions they may have purchased at either rate, according as they have been reduced, or have retired at their own request.

Those who have taken the Difference, and who may be otherwise circumstanced as above stated, to receive the Value of their Commissions at the old Rate, minus the amount of the Difference previously received by them.

Those who have been placed on Half Pay in consequence of the Sentence of Courts-Martial, or of circumstances prejudicial to their Character, to be excluded from the benefit of this Arrangement; or, if it be thought fit to relieve the Half Pay List from them (as they cannot be called into Service) to receive a Sum not exceeding the value of their Annuity.

It is to be understood, that no Officer on the Retired or Half Pay List, who may hold a Garrison Situation, will be permitted to retain it, if he should sell under this Arrangement.

Further, that the general Arrangement shall be limited to those actually

on the Half Pay or Retired List; and the time allowed for its operation shall be limited to one Year for Officers at Home, and to one Year and a half for Officers residing in distant Colonies or Countries.

Those Officers who have purchased Half Pay Commissions, as unattached Commissions, would, after serving on Full Pay in the Rank so purchased, be as admissible to the permission to sell what they may have purchased as any other Officers on Full Pay, under His Majesty's Regulations.

The Purchasers of the Half Pay Commissions, above the Rank of Ensign, shall be invariably Officers on Full Pay.

No Officer shall be allowed to purchase Two steps on Half Pay, without having served in the intermediate time Two Years on Full Pay, it being of course understood, that his general period of Service would otherwise entitle him to the Promotion.

GENERAL ORDER.

HORSE GUARDS, May 2, 1825.

HIS Majesty having been graciously pleased to approve the accompanying Regulations for the Sale and Purchase of Commissions of Unattached, Retired Full, and Half Pay Officers, they are now promulgated to the Army; and His Royal Highness The Commander in Chief enjoins the strictest compliance therewith.

By Command of His Royal Highness
The Commander in Chief.

HENRY TORRENS,
Adjutant-General.

*Regulations for the Sale of Retired Full Pay and Half Pay Commissions.**25th April, 1825.*

Half Pay Officers, and those on Retired Full Pay, shall be permitted to dispose of their Commissions as Unattached Half Pay Commissions, in the manner, and upon the terms hereinafter described.

To include the Officers actually serving in the Veteran Battalions, who may be considered as belonging to both Lists, but who cannot now sell; as also General Officers, who may be in the receipt of the Half Pay, only of that Regimental Rank on which they retired.

That the Officers on the Retired Full Pay, and those serving in Veteran Battalions, shall receive the Prices for their Commissions, established by His Majesty's Regulations in 1821.

That the Officers who were *Reduced* to Half Pay, having purchased or served Twenty Years, and the Officers obliged to retire upon Half Pay, in consequence of Wounds, or Health impaired by Climate, shall also receive the same price for their Commissions.

That Officers having retired to Half-Pay at their own request, not in consequence of Wounds, or Health impaired by Climate, although they should have purchased, shall receive only the old Price, as established by the Regulation in force previous to 1821.

ACTUAL PRICE.		OLD PRICE.	
Lieutenant-Colonelcy	£4,500	Lieutenant-Colonelcy	£3,500
Majority - - -	3,200	Majority - - -	2,600
Company - - -	1,800	Company - - -	1,500
Lieutenancy - -	700	Lieutenancy - -	550
Second Lieutenancy -	500	Second Lieutenancy -	450
Ensigny - - -	450	Ensigny - - -	400

The Officers selling out shall receive the Sum to which they may be respectively entitled under these Regulations, as may be directed by the Commander in Chief.

And in order to avoid the possibility of communication between the Parties, the Purchaser will be directed simply to lodge his Money for his

Promotion to the higher Commission, the Seller being afterwards selected by the Commander in Chief, from the Lists registered in His Royal Highness's Office; nor will any other than an unconditional Resignation, nor any application which adverts to any expected vacancy, be admitted.

The Surplus, if any, will, in all cases, be held at the disposal of the Lords Commissioners of His Majesty's Treasury, for the public use.

The Price paid and received shall, in all cases, be that of the Infantry Commissions, as in the cases of Unattached Commissions, which have been hitherto sold, whether the Individual selling shall be on the Half Pay of Cavalry or Infantry, and the Purchaser shall, in all cases, be placed on the Half Pay of Infantry.

The Individuals disposed to avail themselves of this arrangement, upon the Terms specified, shall make application to the Commander in Chief, through the Military Secretary, when their Claims will be investigated and determined upon, and their Names will be registered accordingly.

The Purchasers will be recommended to His Majesty by the Commander in Chief from the Lists kept in his Office.

The Sales to take place under the following Restrictions:—

No Person to be allowed to sell at either rate who has passed the Age of Sixty Years, or who cannot produce the Certificate of the Army Medical Board; if in a Foreign Colony, the Certificate of a Medical Board; or, if no Board can be assembled, of the Senior Medical Officer: shewing that his Retirement does not result from impaired Constitution, threatening earlier dissolution than a Person of his age may expect in the common course of nature.

No Officer to be allowed to sell, unless he shall have purchased his Commission, or unless he shall have served Twenty Years in the whole, if a Lieutenant-Colonel, Major, or Captain.

Fifteen Years if a Lieutenant.

Twelve Years if an Ensign, of which, at least, one-half on Full Pay, or in the discharge of active professional Duties; except he should have been placed on Half Pay in consequence of Incapacity, from Wounds or Infirmary, not now affecting his general health and constitution.

Those having purchased whose Services do not amount to the above Periods, or who have not been placed upon Half Pay on account of Incapacity produced as above stated, to receive the value only of the Commissions they may have purchased at either rate, according as they have been reduced, or have retired at their own request.

Those who have taken the Difference, and who may be otherwise circumstanced as above stated, to receive the Value of their Commissions at the old Rate, minus the amount of the Difference previously received by them.

Those who have been placed on Half Pay in consequence of the Sentence of Courts-Martial, or of circumstances prejudicial to their Character, to be excluded from the benefit of this Arrangement; or, if it be thought fit to relieve the Half Pay List from them (as they cannot be called into Service) to receive a Sum not exceeding the value of their Annuity.

It is to be understood, that no Officer on the Retired or Half Pay List, who may hold a Garrison Situation, will be permitted to retain it, if he should sell under this Arrangement.

Further, that the general Arrangement shall be limited to those actually

on the Half Pay or Retired List; and the time allowed for its operation shall be limited to one Year for Officers at Home, and to one Year and a half for Officers residing in distant Colonies or Countries.

Those Officers who have purchased Half Pay Commissions, as unattached Commissions, would, after serving on Full Pay in the Rank so purchased, be as admissible to the permission to sell what they may have purchased as any other Officers on Full Pay, under His Majesty's Regulations.

The Purchasers of the Half Pay Commissions, above the Rank of Ensign, shall be invariably Officers on Full Pay.

No Officer shall be allowed to purchase Two steps on Half Pay, without having served in the intermediate time Two Years on Full Pay, it being of course understood, that his general period of Service would otherwise entitle him to the Promotion.

Promotions, Appointments, &c. during the Month of July, 1825.

BREVET.

The Officers selling out shall receive the Sum to which they may be re-

spectively entitled under these Regulations, as may be directed by the Commander in Chief.

And in order to avoid the possibility of communication between the Parties, the Purchaser will be directed simply to lodge his Money for his Promotion to the higher Commission, the Seller being afterwards selected by the Commander in Chief, from the Lists registered in His Royal Highness's Office; nor will any other than an unconditional Resignation, nor any application which adverts to any expected vacancy, be admitted.

The Surplus, if any, will, in all cases, be held at the disposal of the Lords Commissioners of His Majesty's Treasury, for the public use.

The Price paid and received shall, in all cases, be that of the Infantry Commissions, as in the cases of Unattached Commissions, which have been hitherto sold, whether the Individual selling shall be on the Half Pay of Cavalry or Infantry, and the Purchaser shall, in all cases, be placed on the Half Pay of Infantry.

The Individuals disposed to avail themselves of this arrangement, upon the Terms specified, shall make application to the Commander in Chief, through the Military Secretary, when their Claims will be investigated and determined upon, and their Names will be registered accordingly.

The Purchasers will be recommended to His Majesty by the Commander in Chief from the Lists kept in his Office.

The Sales to take place under the following Restrictions:—

No Person to be allowed to sell at either rate who has passed the Age of Sixty Years, or who cannot produce the Certificate of the Army Medical Board; if in a Foreign Colony, the Certificate of a Medical Board; or, if no Board can be assembled, of the Senior Medical Officer: shewing that his Retirement does not result from impaired Constitution, threatening earlier dissolution than a Person of his age may expect in the common course of nature.

No Officer to be allowed to sell, unless he shall have purchased his Commission, or unless he shall have served Twenty Years in the whole, if a Lieutenant-Colonel, Major, or Captain.

Fifteen Years if a Lieutenant.

Twelve Years if an Ensign, of which, at least, one-half on Full Pay, or in the discharge of active professional Duties; except he should have been placed on Half Pay in consequence of Incapacity, from Wounds or Infirmary, not now affecting his general health and constitution.

Those having purchased whose Services do not amount to the above Periods, or who have not been placed upon Half Pay on account of Incapacity produced as above stated, to receive the value only of the Commissions they may have purchased at either rate, according as they have been reduced, or have retired at their own request.

Those who have taken the Difference, and who may be otherwise circumstanced as above stated, to receive the Value of their Commissions at the old Rate, minus the amount of the Difference previously received by them.

Those who have been placed on Half Pay in consequence of the Sentence of Courts-Martial, or of circumstances prejudicial to their Character, to be excluded from the benefit of this Arrangement; or, if it be thought fit to relieve the Half Pay List from them (as they cannot be called into Service) to receive a Sum not exceeding the value of their Annuity.

It is to be understood, that no Officer on the Retired or Half Pay List, who may hold a Garrison Situation, will be permitted to retain it, if he should sell under this Arrangement.

Further, that the general Arrangement shall be limited to those actually on the Half Pay or Retired List; and the time allowed for its operation shall be limited to one Year for Officers at Home, and to one Year and a half for Officers residing in distant Colonies or Countries.

Those Officers who have purchased Half Pay Commissions, as unattached Commissions, would, after serving on Full Pay in the Rank so purchased, be as admissible to the permission to sell what they may have purchased as any other Officers on Full Pay, under His Majesty's Regulations.

The Purchasers of the Half Pay Commissions, above the Rank of Ensign, shall be invariably Officers on Full Pay.

No Officer shall be allowed to purchase Two steps on Half Pay, without having served in the intermediate time Two Years on Full Pay, it being of course understood, that his general period of Service would otherwise entitle him to the Promotion.

Promotions, Appointments, &c. during the Month of August, 1825.

The Officers selling out shall receive the Sum to which they may be re-

spectively entitled under these Regulations, as may be directed by the Commander in Chief.

And in order to avoid the possibility of communication between the Parties, the Purchaser will be directed simply to lodge his Money for his Promotion to the higher Commission, the Seller being afterwards selected by the Commander in Chief, from the Lists registered in His Royal Highness's Office; nor will any other than an unconditional Resignation, nor any application which adverts to any expected vacancy, be admitted.

The Surplus, if any, will, in all cases, be held at the disposal of the Lords Commissioners of His Majesty's Treasury, for the public use.

The Price paid and received shall, in all cases, be that of the Infantry Commissions, as in the cases of Unattached Commissions, which have been hitherto sold, whether the Individual selling shall be on the Half Pay of Cavalry or Infantry, and the Purchaser shall, in all cases, be placed on the Half Pay of Infantry.

The Individuals disposed to avail themselves of this arrangement, upon the Terms specified, shall make application to the Commander in Chief, through the Military Secretary, when their Claims will be investigated and determined upon, and their Names will be registered accordingly.

The Purchasers will be recommended to His Majesty by the Commander in Chief from the Lists kept in his Office.

The Sales to take place under the following Restrictions:—

No Person to be allowed to sell at either rate who has passed the Age of Sixty Years, or who cannot produce the Certificate of the Army Medical Board; if in a Foreign Colony, the Certificate of a Medical Board; or, if no Board can be assembled, of the Senior Medical Officer: shewing that his Retirement does not result from impaired Constitution, threatening earlier dissolution than a Person of his age may expect in the common course of nature.

No Officer to be allowed to sell, unless he shall have purchased his Commission, or unless he shall have served Twenty Years in the whole, if a Lieutenant-Colonel, Major, or Captain.

Fifteen Years if a Lieutenant.

Twelve Years if an Ensign, of which, at least, one-half on Full Pay, or in the discharge of active professional Duties; except he should have been placed on Half Pay in consequence of Incapacity, from Wounds or Infirmary, not now affecting his general health and constitution.

Those having purchased whose Services do not amount to the above Periods, or who have not been placed upon Half Pay on account of Incapacity produced as above stated, to receive the value only of the Commissions they may have purchased at either rate, according as they have been reduced, or have retired at their own request.

Those who have taken the Difference, and who may be otherwise circumstanced as above stated, to receive the Value of their Commissions at the old Rate, minus the amount of the Difference previously received by them.

Those who have been placed on Half Pay in consequence of the Sentence of Courts-Martial, or of circumstances prejudicial to their Character, to be excluded from the benefit of this Arrangement; or, if it be thought fit to relieve the Half Pay List from them (as they cannot be called into Service) to receive a Sum not exceeding the value of their Annuity.

It is to be understood, that no Officer on the Retired or Half Pay List, who may hold a Garrison Situation, will be permitted to retain it, if he should sell under this Arrangement.

Further, that the general Arrangement shall be limited to those actually on the Half Pay or Retired List; and the time allowed for its operation shall be limited to one Year for Officers at Home, and to one Year and a half for Officers residing in distant Colonies or Countries.

Those Officers who have purchased Half Pay Commissions, as unattached Commissions, would, after serving on Full Pay in the Rank so purchased, be as admissible to the permission to sell what they may have purchased as any other Officers on Full Pay, under His Majesty's Regulations.

The Purchasers of the Half Pay Commissions, above the Rank of Ensign, shall be invariably Officers on Full Pay.

No Officer shall be allowed to purchase Two steps on Half Pay, without having served in the intermediate time Two Years on Full Pay, it being of course understood, that his general period of Service would otherwise entitle him to the Promotion.

Promotions, Appointments, &c. during the Month of September, 1825.

GENERAL ORDER.

HORSE GUARDS, May 2, 1825.

HIS Majesty having been graciously pleased to approve the accompanying Regulations for the Sale and Purchase of Commissions of Unattached, Retired Full, and Half Pay Officers, they are now promulgated to the Army; and His Royal Highness The Commander in Chief enjoins the strictest compliance therewith.

By Command of His Royal Highness
The Commander in Chief.

HENRY TORRENS,
Adjutant-General.

*Regulations for the Sale of Retired Full Pay and Half Pay Commissions.**25th April, 1825.*

Half Pay Officers, and those on Retired Full Pay, shall be permitted to dispose of their Commissions as Unattached Half Pay Commissions, in the manner, and upon the terms hereinafter described.

To include the Officers actually serving in the Veteran Battalions, who may be considered as belonging to both Lists, but who cannot now sell; as also General Officers, who may be in the receipt of the Half Pay, only of that Regimental Rank on which they retired.

That the Officers on the Retired Full Pay, and those serving in Veteran Battalions, shall receive the Prices for their Commissions, established by His Majesty's Regulations in 1821.

That the Officers who were *Reduced* to Half Pay, having purchased or served Twenty Years, and the Officers obliged to retire upon Half Pay, in consequence of Wounds, or Health impaired by Climate, shall also receive the same price for their Commissions.

That Officers having retired to Half-Pay at their own request, not in consequence of Wounds, or Health impaired by Climate, although they should have purchased, shall receive only the old Price, as established by the Regulation in force previous to 1821.

ACTUAL PRICE.		OLD PRICE.	
Lieutenant-Colonelcy	£4,500	Lieutenant-Colonelcy	£3,500
Majority - - -	3,200	Majority - - -	2,600
Company - - -	1,800	Company - - -	1,500
Lieutenancy - -	700	Lieutenancy - -	550
Second Lieutenancy	500	Second Lieutenancy	450
Ensigny - - -	450	Ensigny - - -	400

The Officers selling out shall receive the Sum to which they may be respectively entitled under these Regulations, as may be directed by the Commander in Chief.

And in order to avoid the possibility of communication between the Parties, the Purchaser will be directed simply to lodge his Money for his Promotion to the higher Commission, the Seller being afterwards selected by the Commander in Chief, from the Lists registered in His Royal Highness's Office; nor will any other than an unconditional Resignation, nor any application which adverts to any expected vacancy, be admitted.

The Surplus, if any, will, in all cases, be held at the disposal of the Lords Commissioners of His Majesty's Treasury, for the public use.

The Price paid and received shall, in all cases, be that of the Infantry Commissions, as in the cases of Unattached Commissions, which have been hitherto sold, whether the Individual selling shall be on the Half Pay of Cavalry or Infantry, and the Purchaser shall, in all cases, be placed on the Half Pay of Infantry.

The Individuals disposed to avail themselves of this arrangement, upon the Terms specified, shall make application to the Commander in Chief, through the Military Secretary, when their Claims will be investigated and determined upon, and their Names will be registered accordingly.

The Purchasers will be recommended to His Majesty by the Commander in Chief from the Lists kept in his Office.

The Sales to take place under the following Restrictions:—

No Person to be allowed to sell at either rate who has passed the Age of Sixty Years, or who cannot produce the Certificate of the Army Medical Board; if in a Foreign Colony, the Certificate of a Medical Board; or, if no Board can be assembled, of the Senior Medical Officer: shewing that his Retirement does not result from impaired Constitution, threatening earlier dissolution than a Person of his age may expect in the common course of nature.

No Officer to be allowed to sell, unless he shall have purchased his Commission, or unless he shall have served Twenty Years in the whole, if a Lieutenant-Colonel, Major, or Captain.

Fifteen Years if a Lieutenant.

Twelve Years if an Ensign, of which, at least, one-half on Full Pay, or in the discharge of active professional Duties; except he should have been placed on Half Pay in consequence of Incapacity, from Wounds or Infirmary, not now affecting his general health and constitution.

Those having purchased whose Services do not amount to the above Periods, or who have not been placed upon Half Pay on account of Incapacity produced as above stated, to receive the value only of the Commissions they may have purchased at either rate, according as they have been reduced, or have retired at their own request.

Those who have taken the Difference, and who may be otherwise circumstanced as above stated, to receive the Value of their Commissions at the old Rate, *minus the amount of the Difference previously received by them.*

Those who have been placed on Half Pay in consequence of the Sentence of Courts-Martial, or of circumstances prejudicial to their Character, to be excluded from the benefit of this Arrangement; or, if it be thought fit to relieve the Half Pay List from them (as they cannot be called into Service) to receive a Sum not exceeding the value of their Annuity.

It is to be understood, that no Officer on the Retired or Half Pay List, who may hold a Garrison Situation, will be permitted to retain it, if he should sell under this Arrangement.

Further, that the general Arrangement shall be limited to those actually on the Half Pay or Retired List; and the time allowed for its operation shall be limited to one Year for Officers at Home, and to one Year and a half for Officers residing in distant Colonies or Countries.

Those Officers who have purchased Half Pay Commissions, as unattached

Commissions, would, after serving on Full Pay in the Rank so purchased, be as admissible to the permission to sell what they may have purchased as any other Officers on Full Pay, under His Majesty's Regulations.

The Purchasers of the Half Pay Commissions, above the Rank of Ensign, shall be invariably Officers on Full Pay.

No Officer shall be allowed to purchase *Two* steps on Half Pay, without having served in the intermediate time *Two* Years on Full Pay, it being of course understood, that his general period of Service would otherwise entitle him to the Promotion.

GENERAL ORDER.

HORSE GUARDS, May 2, 1825.

HIS Majesty having been graciously pleased to approve the accompanying Regulations for the Sale and Purchase of Commissions of Unattached, Retired Full, and Half Pay Officers, they are now promulgated to the Army; and His Royal Highness The Commander in Chief enjoins the strictest compliance therewith.

By Command of His Royal Highness

The Commander in Chief.

HENRY TORRENS,

Adjutant-General.

Regulations for the Sale of Retired Full Pay and Half Pay Commissions.

25th April, 1825.

Half Pay Officers, and those on Retired Full Pay, shall be permitted to dispose of their Commissions as Unattached Half Pay Commissions, in the manner, and upon the terms hereinafter described.

To include the Officers actually serving in the Veteran Battalions, who may be considered as belonging to both Lists, but who cannot now sell; as also General Officers, who may be in the receipt of the Half Pay, only of that Regimental Rank on which they retired.

That the Officers on the Retired Full Pay, and those serving in Veteran Battalions, shall receive the Prices for their Commissions, established by His Majesty's Regulations in 1821.

That the Officers who were *Reduced* to Half Pay, having purchased or served Twenty Years, and the Officers obliged to retire upon Half Pay, in consequence of Wounds, or Health impaired by Climate, shall also receive the same price for their Commissions.

That Officers having retired to Half-Pay at their own request, not in consequence of Wounds, or Health impaired by Climate, although they should have purchased, shall receive only the old Price, as established by the Regulation in force previous to 1821.

ACTUAL PRICE.		OLD PRICE.	
Lieutenant-Colonelcy	£4,500	Lieutenant-Colonelcy	£3,500
Majority - - -	3,200	Majority - - -	2,600
Company - - -	1,800	Company - - -	1,500

Second Lieutenancy	500	Second Lieutenancy	450
Ensigny - - -	450	Ensigny - - -	400

The Officers selling out shall receive the Sum to which they may be respectively entitled under these Regulations, as may be directed by the Commander in Chief.

And in order to avoid the possibility of communication between the Parties, the Purchaser will be directed simply to lodge his Money for his Promotion to the higher Commission, the Seller being afterwards selected by the Commander in Chief, from the Lists registered in His Royal Highness's Office; nor will any other than an unconditional Resignation, nor any application which adverts to any expected vacancy, be admitted.

The Surplus, if any, will, in all cases, be held at the disposal of the Lords Commissioners of His Majesty's Treasury, for the public use.

The Price paid and received shall, in all cases, be that of the Infantry Commissions, as in the cases of Unattached Commissions, which have been hitherto sold, whether the Individual selling shall be on the Half Pay of Cavalry or Infantry, and the Purchaser shall, in all cases, be placed on the Half Pay of Infantry.

The Individuals disposed to avail themselves of this arrangement, upon the Terms specified, shall make application to the Commander in Chief, through the Military Secretary, when their Claims will be investigated and determined upon, and their Names will be registered accordingly.

The Purchasers will be recommended to His Majesty by the Commander in Chief from the Lists kept in his Office.

The Sales to take place under the following Restrictions :—

No Person to be allowed to sell at either rate who has passed the Age of Sixty Years, or who cannot produce the Certificate of the Army Medical Board; if in a Foreign Colony, the Certificate of a Medical Board; or, if no Board can be assembled, of the Senior Medical Officer: shewing that his Retirement does not result from impaired Constitution, threatening earlier dissolution than a Person of his age may expect in the common course of nature.

No Officer to be allowed to sell, unless he shall have purchased his Commission, or unless he shall have served Twenty Years in the whole, if a Lieutenant-Colonel, Major, or Captain.

Fifteen Years if a Lieutenant.

Twelve Years if an Ensign, of which, at least, one-half on Full Pay, or in the discharge of active professional Duties; except he should have been placed on Half Pay in consequence of Incapacity, from Wounds or Infirmary, not now affecting his general health and constitution.

Those having purchased whose Services do not amount to the above Periods, or who have not been placed upon Half Pay on account of Incapacity produced as above stated, to receive the value only of the Commissions they may have purchased at either rate, according as they have been reduced, or have retired at their own request.

Those who have taken the Difference, and who may be otherwise circumstanced as above stated, to receive the Value of their Commissions at the old Rate, *minus the amount of the Difference previously received by them.*

Those who have been placed on Half Pay in consequence of the Sentence of Courts-Martial, or of circumstances prejudicial to their Character, to be excluded from the benefit of this Arrangement; or, if it be thought fit to relieve the Half Pay List from them (as they cannot be called into Service) to receive a Sum not exceeding the value of their Annuity.

It is to be understood, that no Officer on the Retired or Half Pay List, who may hold a Garrison Situation, will be permitted to retain it, if he should sell under this Arrangement.

Further, that the general Arrangement shall be limited to those actually on the Half Pay or Retired List; and the time allowed for its operation shall be limited to one Year for Officers at Home, and to one Year and a half for Officers residing in distant Colonies or Countries.

Those Officers who have purchased Half Pay Commissions, as unattached

Commissions, would, after serving on Full Pay in the Rank so purchased, be as admissible to the permission to sell what they may have purchased as any other Officers on Full Pay, under His Majesty's Regulations.

The Purchasers of the Half Pay Commissions, above the Rank of Ensign, shall be invariably Officers on Full Pay.

No Officer shall be allowed to purchase *Two* steps on Half Pay, without having served in the intermediate time *Two* Years on Full Pay, it being of course understood, that his general period of Service would otherwise entitle him to the Promotion.

N.B. Officers who volunteered from the Militia into the Line will also be allowed to dispose of their Half Pay, subject to the above Regulations, for two thirds of the value of their respective Commissions.

WARRANT limiting the Period within which Applications for Losses shall be made.

GEORGE R.

WHEREAS it has been represented by the Consolidated Board of General Officers, that, in consequence of the delay that frequently occurs on the part of Officers and Soldiers in preferring claims to indemnification for losses, the investigation of such claims is attended with difficulty and inconvenience; and Whereas therefore We think it expedient to limit the period within which such applications shall in future be made; Our Will and Pleasure is, that from and after the 24th of August, 1825, no claim of an Officer or Soldier to compensation for any loss of baggage or necessaries shall be entertained, if it be not preferred within twelve months after the time when the loss was sustained, unless such officer or soldier shall shew that it was not in his power to have preferred his claim within that period.

Given, &c. 3d September, 1825.
